## UKRAINE STEAM – special steam trains 16.+17.05.2014:

Steam specials on two of Ukraine's most scenic lines!

- 1) Special train from Kolomyia to Zalishchky (83 km) on May, 16th** with L-3535 and two blue passenger coaches, many fotostops and runpasts, duration from 9am to 3pm (=6 hours), back to Kolomyia bus transfer
- 2) Special train on mountain line from Kolomyia to Rakhiv (123 km)** on May, 17th with L-3535 and two blue passenger coaches, many fotostops and runpasts, duration from 9am to 5 pm (=8 hours); trip insurance for 4 days / package price **Euro 590.-**

Individual arrangements for travelling to Kolomyia and home, and for hotel accomodation in Kolomyja - on demand! Please contact us: [wwlok@utanet.at](mailto:wwlok@utanet.at)

### **General informations and conditions of participation:**

- Tour organizing staff: Wolfram Wendelin (german, english, ukrainian), Dmytro Babarika (english, ukrainian, russian), Franz Österreicher (german, english)
- **Number of participants: min. 20, max. 50 persons**
- After your registration please send 80% of the amount of the module price by bank transfer till registration deadline on february, 28th. Rest payment during the trip in cash. If the tour cannot take place the full advance payment will be reimbursed.
- This tour is non profit, any amount of money left after the tour will be spent for the narrow gauge forestry railway museum project in Korostiv.
- The organizers do not take over any responsibility or liability concerning safety and security of the participants
- With the booking the participant agrees to the terms for the trip
- At the beginning of the trip a declaration about keeping the organizers free from any responsibility and liability - except for he payed amount - must be signed by the participants
- Participants are kindly asked to strictly follow the instructions by trip guides and security staff
- Cancellling: If the participant cancels for personal reasons, this is possible till 28.02.2014 without any charging, in case of a later cancellation the advance payment will not be returned any more.
- If the steam engine cannot run because of technical or other reasons, all participants will be informed within 48 hours by email. In such case both trains will be hauled by a diesel instead of the steamer, the price will be smaller, probably less than the 80% from the advance payment, therefore parts of the advance payment will be returned; any regress demand in case of steamer failure of all kinds are excluded (for example demands for flights or other individual bookings etc.)
- In case of steam engine failure before 01.05. the participants have the extraordinary right to cancel with fully getting the advance amount repaid.
-

- In case of steam engine failure during the two day tour there is repayment only in the same percentage as Ukrainian state railways can give compensation.
- An information map will be provided for all participants
- registration deadline: 28.02.2014
